## Keynote Speaker Rich Rosen

V.P. of External Business Relations | Battelle

### TOPIC: Stem Education - Opportunity Knocking.

As part of Battelle's leadership role in establishing productive partnerships with industry, educational institutions, and government at all levels, Rich Rosen oversees external business relations and develops public/private collaboration strategies, leads selected corporate initiatives, and establishes institutional level relationships with key universities.

Advancing the state of the nation's education is a core purpose of Battelle. Mr. Rosen is the corporate lead in strategy development and implementation of signature education initiatives that are coordinated across all of Battelle's components. Rich is also active in the development of new public/private infrastructure partnerships to improve technology-based competitiveness, and also works with educators in K-12 and collegiate levels to better prepare tomorrow's workforce.
